NEW MODERN CUTTING-EDGE CONSTRUCTION. A luxurious lakefront Tahoe property located in Crystal Bay, Nevada above a stunning, pristine cove. Projected Completion Summer 2020. Crestwood Construction and RO | ROCKETT DESIGN Architects have created a contemporary and dramatic home

that weaves through the forest landscape, creating an immersive and continuous experience of the property from both within and about the home defined by sleek lines and unique features. Enjoy panoramic views across Lake Tahoe from the great room; this home is designed to maximize the views while living in luxury over the waters of Lake Tahoe and Crystal Bay. New lake access tram to the property's 150' shoreline, shared with 20/24 Crystal Drive. Open floor plan concept on the main level with pocketing door systems allowing for the summer time breeze to flow through. Primary rooms on main level including master suite.
